

JOE TURNER VICTOR

Rob Roy Mackey Beaten for Local Wrestling Title.

DELAYS CAUSED BY VETERAN

As Soon as Mackey Realized that He Was Doomed to Defeat He Would Not Wrestle, but Kept Opponent at Arms' Length for More Than an Hour Following the Intermission.

After chasing his opponent around the mat for one hour and four minutes, Joe Turner last night won the wrestling championship of Washington by gaining two falls from Rob Roy Mackey.

The defeat was one of the worst reverses that Mackey has ever met in his fifteen years of wrestling. From the time the referee Pat O'Connor called the men to the center of the ring at 10:30 until 11:20, when the second fall was made, Turner had the advantage at nearly every move.

National Guard gymnasium was packed, and, while Mackey had a number of supporters at the beginning, he lost many admirers by his dilatory tactics when he realized that in Turner he was meeting his superior. Every trick and scheme known to the sport was resorted to by Mackey after the intermission, and for more than an hour the pair paraded up and down the mat, with Mackey escaping every time Turner tried to get him to get down to real wrestling. Hisses were not effective, and the waiting would probably have continued until the lights went out had it not been that Turner commenced to rush his opponent into the crowd. It was in one of these scrambles that Turner got behind Mackey, and lost little time in gaining a fall which carried with it the local title.

Started Off Well.

The early part of the bout was good. There was plenty of action, and while Mackey was usually on the defensive, he succeeded in working out of holds for fifteen minutes. Finally Turner obtained a three-quarters Nelson. It looked good for a fall, but Mackey wiggled out, only to get into the same hold a moment later. This time his shoulders were pinned after fifteen and one-half minutes of wrestling.

The closeness of his hold surprised Mackey, and after the period of rest, he declined to do anything but keep Turner at arms' length and dash off to the edge of the mat. It was out of the question for Turner to do anything, so he got down on all fours, but this did not tempt Mackey.

Then they got at arms' length and walk. I off several miles more until Turner, in disgust, tried to force Mackey into the crowd. After nearly half an hour of this sort of work Turner got Mackey down near the edge of the canvas, and slowly forced him to the floor by a scissors hold and bar hammer.

In the preliminaries Young Hoover won from Young Turner in six minutes. Jack Spelling and Benny Burns won fifteen minutes to a draw, and Bobby Baker and Fry King wrestled for 1 1/2 an hour, with Hoover even.

TIGERS IN LAST PLACE.

Penn Has Practically Clinched the Basketball Championship.

New York, Feb. 10.—Cornell, by beating Princeton at basketball Saturday night, got out of the tie for last place, in which the two colleges were evenly matched at the beginning of the season. Columbia engages in two league matches this week, playing Princeton on the latter's court on Wednesday and returning to meet Cornell's five in New York on Friday.

On Saturday Yale and Cornell clash.

The New Haven "gym," but the result will not affect the championship, which Pennsylvania seems to have obtained a firm hold, having beaten Yale and Columbia, the former in two games.

WADDELL TOO MODEST.

Rube's Wife Says He Will Not Contest Suit for Divorce.

Worcester, Mass., Feb. 10.—Mrs. Mary Waddell, wife of a well-known ball tosser, Rube Waddell, just told to St. Louis by Connie Mack, arrived at the home of her parents, in Lynn, today from Philadelphia, where she filed her divorce petition against her husband.

No signs of marital worry are depicted on her smiling countenance, for she expects in April to be free from Rube. She says Rube, so modest in her own friends that he earnestly hopes she gets her decree before spring practice begins.

PLAY BALTIMORE MEDICOS.

Georgetown Basketball Team Has Hard Game.

The Georgetown basketball team will play the Baltimore Medical College quint at Carroll institution to-morrow night.

The Medicos claim the championship of Maryland, and have not been defeated this season; as the Blue and Gray is likely to have its hands full to emerge on top of Georgetown's line-up will be unchanged, except that Fred Rice will only participate in one half, owing to the fact that he is saving himself for the relay race at Madison Square Garden Saturday night.

Yale and Harvard Sore at Pulliam.

New Haven, Conn., Feb. 10.—Because Henry C. Pulliam, president of the National League, has refused at times to listen to suggestions by the Yale and Harvard baseball officials as to the umpire for the big games this year, Pulliam will not be asked to pick the men. For many years the president of the National League has chosen the umpires for the college games, and last year declined to have a suggestion coming from Yale and Harvard in regard to an official. Yale now discharges Pulliam, and the officials will be chosen by conference of Yale and other college men.

Warrior Signs with Detroit.

Freepoint, Ill., Feb. 10.—Pitcher Jack Warrior will play with the Detroit Tigers next season. Warrior was sold to Detroit by the Freepoint association of the Wisconsin-Illinois League last year for \$1,300. He demanded a salary of \$2,000 from Detroit, but was offered a sum considerably lower. Threatening to quit the Tigers and organized baseball, Warrior began making arrangements to play with some Chicago semi-professional teams during this season, but he has finally decided to accept the initial salary offered by Jennings.

WASHINGTON TEAM CHOSEN.

Relay Runner Picked for Penn and Baltimore in Federal Meet.

Trials were held last night for the two all-Washington relay teams which will represent the Capital City in the Federal indoor games in Convention Hall next Saturday night against the all-Baltimore and the University of Pennsylvania teams.

The one-mile team which will compete against the Orioles quartet will be composed of Herring, Smithson, King, and Bram, with Royce for substitute.

The Baltimore team against whom these men will run is made up of Stollenwerk, Studter, Duker, and White, with Ziegler and Rowser as substitutes.

For the all-Washington two-mile team these men were chosen to run: Fleming, Heald, Gill, and Herring, with Wendroth for substitute.

In their race against the University of Pennsylvania star half-milers, the Washington four will have a handicap of one half or 18 yards.

The Quaker team will be composed of Haskins, intercollegiate half-mile champion, with a record of 1:57 for the distance; Jones, who has done close to 2:00; Quinsey, who has done 2:08, and either Plunkey or Breck, both of whom can run the half-mile in 2:00.

MAKE NEW RECORD

Kiene and Chalmers Beat Mark for Doubles.

SPILL A TOTAL OF 1,254 PINS

Chicago Bowlers Prove a Sensation and Are Almost Certain to Capture First Prize in Cincinnati Tourney.

Bruswickels Total 2,700 in Five-men Team Class—Corinthians Favorites.

Cincinnati, Ohio, Feb. 10.—The world's record for a two-men team was smashed to-night by Harry Kiene and Jimmy Chalmers, of Chicago. Their total score was 1,254 for the two-men event, and it is almost certain to capture first prize in the two-men teams, according to the best of experts hereabouts.

Outside of this the Bruswickels team of East Liverpool, in the five-men event, scored 2,700, and stand a chance of getting a good division of the money.

The Corinthian team of New York will arrive in the city some time tomorrow, according to a telegram received by agent Hermann to-day, and are due to go on in their five-men team events, while on Wednesday morning they will bowl their two-men and individuals. Few arrivals were recorded to-day, the Denver and St. Paul bunch getting in early.

Big Match To-morrow.

The big international match will take place Wednesday, and elaborate preparations for a crowded house are being made. Pat Corrigan, who appears to be the official bookmaker, has made the Corinthians favorites, with Thompson's Colts second, the Furniture Citys third, and the Paulsons, of Denver, fourth.

From to-day on the bowling will consist of nothing but experienced teams, the large majority of Cincinnati's joke teams having been worked off of the schedule. The Corinthians will bowl in the regular tournament on Tuesday evening.

LOCAL BILLIARDISTS WIN.

New Have Lead of 123 Points Over Baltimore Experts.

Washington now has a lead of 123 points in the series of intercity billiard matches with Baltimore by reason of their defeat of the visiting cue experts at the Royal Parlor last night by 359 to 238.

There now remains but one match to play, and it is considered extremely unlikely that the Baltimore players will be able to overcome their handicap. Scores:

SMALL FIELDS START

Heavy Going at Fair Grounds Results in Scratches.

FORM PLAYERS FARE POORLY

Defects of Keator and Thieling Nearly Cause the Wise Betters to Take to Cover—Sir Toddington Wins on His First Start—Pedro Wins the Feature Event Going Away.

New Orleans, Feb. 10.—Small fields marked the racing at the Fair Grounds to-day. As the result of the severe storm yesterday, the going was heavy and sticky. The scratches were numerous, almost cutting the fields half their original size.

Form players had rather a hard day, too, the defeat of Keator and Thieling almost putting them completely out of business. Frank Brown evidently thought he found the spot for Keator, in a six-furlong purse event, and discarded Brussel, the stable rider, and gave the mount to Notter. The calculations of the Brown party were forced to undergo an upset, as Sir Toddington, making his first start of the meeting, won off by himself.

The card had a handicap at a mile and a sixteenth for its feature. This fell to Pedro, who really should have won canteering. His rider, Murphy, took Pedro almost a sixteenth of a mile away from Thieling in the first half-mile, but Pedro was so much the best that he ran over Donna and Thieling in the stretch, and won going away. Donna was badly ridden, too. McCahey hardly being able to retain his position in the saddle at any part of the race.

Summaries.

FIRST RACE—Three furlongs.

SECOND RACE—Five furlongs.

THIRD RACE—Six furlongs.

FOURTH RACE—One mile.

FIFTH RACE—Five furlongs.

COACHING PLANS AT YALE.

Elis Will Not Adopt Graduate System in All Athletics.

New Haven, Conn., Feb. 10.—The rumor that other resignations of professional coaches at Yale are to follow that of Billy Lush is denied by officials of the different athletic associations. In fact, the basketball officials says that Lush will be retained as coach of that sport, not only for the present season, but that there is no indication that he will be displaced in another year. A year ago Yale adopted professional coaching for her winter sports teams, Lush taking charge of the basketball squad, and Tom Howard, formerly of the Wanderers, directing the hockey team's drill. Howard will almost certainly be re-engaged another season by the hockey team.

Track athletics has been organized with a graduate advisory committee, of which Alexander B. Cox, Charles H. Sherrill, and Prof. W. L. Phelps are members, but none of the committee does any active coaching, leaving the development of the team from a technical standpoint entirely with Coach Mack. It is by no means certain at Yale that a professional baseball coach will not be engaged in two or three years to develop successive nines under the direction of a committee similar to that which has charge of the track athletic teams' campaigns.

COUGHLIN AGAIN CAPTAIN.

Third Baseman Will Lead Detroit Team During Coming Season.

Detroit, Mich., Feb. 10.—Bill Coughlin, the veteran third baseman of Detroit's American League champions, will again captain the Tigers on the field of the coming season. Coughlin has been the field boss of the local club for several years. His work last season was perfectly satisfactory.

Davy Jones, who filled McIntyre's shoes in left field so well last year, is not satisfied with the contract sent him, and is holding out for more money.

GEORGETOWN RELAY PICKED

Cohen, Rice, Gibbs, and Devine Will Run in New York.

To Race Columbia, Wesleyan, and Fordham for Collegiate Title at Columbia Meet.

Cohen, Gibbs, Rice, and Devine will make up the team that will represent Georgetown in the relay for the one-mile collegiate championship against Wesleyan, Fordham, and Columbia at the indoor games of Columbia University in Madison Square Garden Saturday night.

Trials were held yesterday and a great surprise furnished in the person of Fred Rice, the basketball star. Rice proved to be the dark horse, and made the best time in this respect.

The team, accompanied by Manager Moran and Assistant Manager Corcoran, will leave for New York Friday at noon. The boys are all in high spirits and are confident of making a creditable showing.

A reserve relay team will be picked from Mohr, Ed. Miller, Ballenger, and V. Mudd, will run against Catholic University and St. John's College at the Federal games Saturday, and Munnah is entered in the 880-yard run.

RACING CARDS FOR TO-DAY.

BROWN ALUMNI DINE.

President Faunce, of University, Attends Club's Annual Banquet.

Good fellowship reigned at the annual dinner last evening of the Brown University Club of Maryland and the District of Columbia at the Highlands, with Dr. W. H. P. Faunce, president of the university, as the guest of honor and principal speaker. Denn William A. Wilbur, of George Washington University, president of the club, presided. Addresses were delivered by President Faunce, Dr. E. E. Brown, United States Commissioner of Education; Hon. H. K. Porter, Dr. J. F. Jameson, A. M. Quick, and A. P. Williams.

Prior to the dinner a business meeting was held, at which the following officers were elected: W. A. Wilbur, president; Dr. J. F. Jameson, vice president; W. A. Slade, secretary and treasurer. The executive committee elected was composed of Dr. H. K. Porter, Dr. J. H. Lindsey, and Hon. H. K. Porter.

The present at the dinner besides those already mentioned were: G. E. Kelleher, '04; R. L. Brown, '03; Dr. E. C. Burnett, '06; H. E. Day, '03; W. C. Carpenter, '06; Dr. M. X. Sullivan, '03; G. B. McClellan, '05; I. P. Noyes, '06, and J. H. Johnson, '04.

It would be a travesty to call the affair a fight. It was a ludicrous exhibition of Palmer's complete inability to meet Burns. The Englishman spent a large part of the time on his knees resting. The spectators booed him and shouted, "Stand up and fight," but in vain. Palmer would not; and Burns laughed aloud during the rounds.

Finally Palmer was counted out while he was on the floor.

WILL SELECT FIELD.

Committees to Decide on Place for Army-Navy Game.

Special to The Washington Herald. Annapolis, Md., Feb. 10.—The selection of a place for playing the annual football game between Annapolis and West Point is still undecided.

The committee representing the Navy Athletic Association returned to Annapolis from Philadelphia to-night, after having conferred with the committee of the Army Athletic Association, of West Point, and also officials of the University of Pennsylvania.

Franklin Field, the grounds of the latter institution, has been the scene of the contests for several years, but the Quaker athletic authorities contemplate a curtailment of the number of tickets which have previously been allowed the Army and Navy associations, and for this reason a conference was deemed imperative.

The combined committees made an inspection of the baseball park on Broad street, Philadelphia, and also the grounds of the Manheim Cricket Club at German town, Pa., both of which it was agreed are desirable places for playing the games.

While no decision was reached, it was generally agreed by the Navy, after many representations, that the final selection was deferred until the meeting of the combined committees on the point as to whether Pennsylvania will see its way clear to provide a sufficient number of seats to accommodate both arms of the service.

If this cannot be done, then it is conceded that the ball park will be resorted to. The Navy Athletic Association was represented at the conference by Prof. Nathaniel M. Terry, treasurer, Lieut. Commander Reeves, head coach of the football team, and Lieut. Commander Irwin, of the executive committee. West Point's representatives were Col. Eckles, Capt. Barragh, and Lieut. W. G. Smith, a former captain of the Army eleven.

COLUMBIA NEEDS OARSMEN.

Graduate Committee Makes Call for More Crew Candidates.

New York, Feb. 10.—Coach Rice, of Columbia, is dissatisfied with the number of candidates for the Blue and White crews. Although nearly one hundred men answered Capt. Von Salza's call, after the Christmas holidays, less than half have returned to the machines since the close of the examinations a week ago. Of these twenty are freshmen out of a first-year class of more than three hundred men.

A sharp letter from the graduate rowing committee was sent last week to the men who at first intended to try for the crews, but little has resulted from that method. Coach Rice says he has not enough men to make up the five practice eights, which are expected to pick at the beginning of practice on the water at the end of March.

N. Y. Motor Boat for British Cup.

New York, Feb. 10.—C. C. Wheeler is building a motor boat for the purpose of defending the British international cup which was won last year by the Dixie, and has been challenged for by the British motor boat, the "Coxswain," which is 26 feet long, 4 feet 10 inches beam, and 2 feet 8 inches draft. It will carry a 6-foot cylinder motor of 110-horsepower, and will have an assured speed of 20 miles an hour.

ASSIGNEE IS APPROVED.

E. S. Clark Makes Over His Business to His Creditors.

Edwin S. Clark, trading as the Davenport Company, yesterday made an assignment for the benefit of his creditors, naming H. Winslow Whetstone as assignee. The assignment was placed on file in the office of the recorder of deeds.

Wheatley afterward filed a petition in the Supreme Court of the District for formal appointment as assignee. Justice Claiborne approved Whetstone as assignee and fixed bond at \$10,000.

In the petition it is stated that the assignor has assets of \$5,800, consisting of furniture valued at \$5,000, a horse and wagon valued at \$300, and store fixtures valued at \$500, and has debts amounting to \$9,450.

Elected and Installed.

At the stated convocation of Hiram Chapter, No. 10, R. A. M., last evening, the following officers were elected and installed: W. H. McCray, E. H. P. Laird, L. Neal, king; Albert Lake, scribe; Guy W. A. Camp, secretary (re-elected); George W. Linsley, treasurer (re-elected); Eugene G. Harbort, C. H. J. D. Bradford, P. S.; Charles R. Sugg, R. A. C.; R. A. Roseberry, M. 30 V.; L. K. Sigmons, M. 24 V.; R. G. Kennedy, M. 1st V.; A. H. Kimball, organist; William H. Shipman, sentinel.

Lawyer Dies in Nevada.

Mr. Wistar Kelly, a well-known lawyer, late of the firm of Britton & Gray, died Sunday at Goldfield, Nev., where he had gone about a month ago on business. Mr. Kelly's home was at 193 N. street, this city. His mother, widow of Senator Kelly, of Oregon, and sister of Miss Anna Kelly, survive him.

Cutters Elect Officers.

The Local Cotton Cutters' Association elected the following officers at its regular meeting: E. B. Thiele, president; Bernard Foley, first vice president; Charles T. Neal, second vice president; E. O.
